We are happy you have chosen Thomasville Recreation Center to enhance your leisure time activities. We are committed to excellence and want our facility to reflect an environment where young people develop self-esteem, good judgment and self-discipline.

We strive to provide programs that build character and team participation, maintain physical fitness, and offer social opportunities for children, adults and senior citizens.

We encourage your suggestions for ways in which we may improve our services and structured activities. Feel free to contact us for specific questions.
